media experience

Indiana Daily Student
Indiana University's independent student newspaper (circulation 14,000+) in Bloomington, Ind.

Digital Editor | Fall 2015
Responsible for creating interactive graphics to accompany online stories, planning and communicating with desk editors to display their digital content in the best way possible, general website maintenance and helping to style and code separate websites for longform feature stories.

Copy Editor | Spring 2015 to present
Responsible for reading stories printed in the paper and published online in the IDS for correct AP style and grammar.

Design Chief and Graphics Editor | Fall 2014 & Spring 2015
Responsible for gathering data, writing copy and creating five graphics per week for the IDS, creating a comprehensive graphic style guide to be used for future graphics, editing all print and online graphics, managing a staff of page designers, communicating with desk editors and management to plan and design content-oriented, engaging fronts and P1s.

Page designer | Fall 2014 & Spring 2015
Responsible for designing pages, communicating with section editors and creating charts to accompany stories.

The Media School at Indiana University

Design Specialist | Fall 2015
Create ads, branding materials and promotional items for the IU Media School and all affiliated journalism groups using the Media School style guide. Help promote a strong brand for the IU Media School.

Verge Magazine and Common Room PR
Verge Magazine (vergemagazine.co.uk) and Common Room PR (common-roompr.com) are sister companies located in London, England.

Editorial Intern and Web Intern | Summer 2015
Lived and worked in London for eight weeks for Verge Magazine and Common Room. For Verge, I wrote listicles and features on lifestyle and music topics and helped to update and maintain the website daily. For Common Room, I worked as a web intern, helping to design and write copy for pages on each client and updating the design of the homepage of the website.
